Cellular Differentiation: Enabling Stem Cell Research

DATE

Wednesday, October 18, 2006

TIME

13:00 – 17:00

LOCATION

The Francis Crick Auditorium
Wellcome Trust Conference Centre
Hinxton Cambridge UK

**The first 200 people to arrive
will receive a special gift.**

MODERATORS

Michael Ashburner, Ph.D., Sc.D., F.R.S.
University of Cambridge

Elizabeth Robertson, Ph.D., F.R.S.
Wellcome Trust Centre for Human Genetics

SPEAKERS

Austin Smith, Ph.D., F.R.S.
Chairperson, Institute for Stem Cell Biology
University of Cambridge
The Ground State of Pluripotency

Roger Pedersen, Ph.D.
Professor of Regenerative Medicine
Department of Surgery and Cambridge Institute for Medical Research
University of Cambridge
*Mechanisms of Pluripotency and Epigenesis in
Human Embryonic Stem Cells*

Azim Surani, Ph.D., F.R.S.
Mary Marshall and Arthur Walton Professor of Physiology and Reproduction
University of Cambridge
Germ Line and Pluripotent Stem Cells

Reception to follow. This event is **FREE** and open to the public, but seating is limited.
Please register in advance at info.appliedbiosystems.com/sls and arrive early to secure your seat.
